I. BUSINESS FROM THE BOARD FOR DISCUSSION, CONSIDERATION AND, IF SO DETERMINED, ACTION UPON:

1. Mayor’s Report

   a. Sound/Speaker for Village Meetings in HGI

   Mayor Urlacher said he received feedback from residents that they are unable to hear Commissioners or Board members during Village meetings. Mayor Urlacher asked the Board members for a consensus if they would like to receive a free trial run to utilize the hotels sound system at the next ZPA meeting on December 5th. The consensus was to conduct the trial run on the hotel audio system.

   b. Removal of Tuning Restrictions on Old School Road During the Replacement of the Bradley Road Bridge
Mayor Urlacher said the Bradley Road bridge replacement will commence in May of 2018. The surrounding neighbors have requested that the ordinance be lifted during the bridge repair from St. Marys to Old School Road during the hours of 4:00-6:00 pm. The Mayor is in favor of lifting this limitation during the repair.

c. Village Meeting Schedule for 2018
Mayor Urlacher said the listing of the 2018 Village meetings have been provided to the Board.

d. Agreements with Hilton Garden Inn for Meeting Room Usage in 2018
Mayor Urlacher said the agreement along with the rental rates have been provided to the Board of all the 2018 meetings. The room rates did not increase.

e. Storm Water Management and Isolated Wetlands Certification
Mayor Urlacher stated Storm Water Management requires certification to remain a certified community for wetlands. The Village is required to complete the certification and the petition every 5 years. The last petition was completed in 2012.

f. Building Report
Mayor Urlacher thanked Village Engineer Scott Anderson for the monthly building report and said it would be placed on file.

g. Other Matters
Mayor Urlacher asked if the Board would be interested in conducting a conference call or Skype Board meetings for members who cannot physically attend a meeting. The ZPA passed an ordinance back in 2011, but has never conducted this type of meeting. The Board would still require 4 members to be physically present to have a quorum. The electronic call would be an option to allow you to listen to the meeting due to an injury or due to traveling for work. Mayor Urlacher asked the Board members for a consensus to remain status quo or approve conference calls.

Trustee Bohm and Trustee Brennan indicated status quo.

Trustee Maier said he voted for the technology.
Trustee Pink said she would like to hear what Chairman Krusinski thought of the idea.

Chairman Krusinski said telephonic meetings would be inadequate for the ZPA. During the ZPA meetings, Commissioners receive updating drawings or documents relating to the application being heard at the meeting. Chairman Krusinski stated they have rescheduled meetings to ensure having a quorum.

Trustee Towne said this option would encourage public officials to not physically attend these meetings.

Village Administrator Irvin said this is not a substitute for a quorum. Some issues that could be experienced during this type of meeting are the limitation of viewing presentations being conducted in the room, knowing when to speak if others are speaking, not being able to hear the speakers in the rooms along with technology experiencing connectivity issues to name a few.

Mayor Urlacher said the consensus was to not allow electronic attendance at meetings.

h. Village Administrator’s Report

Village Administrator Irvin said JAWA has placed Mettawa onto their agenda to extend the approval period to connect to their water main system.

Trustee Pink asked if the Village had any legal implications since the guest house definition was not complete. Village Attorney Smith said the Village Board can move forward because the definition had been approved at a prior time.

Trustee Pink asked if Village Attorney Smith can explain why this application is being considered as two accessory buildings. Village Attorney Smith said the ZPA recommendation approval includes that the guest house be considered two accessory structures due to the two distinct uses. Village Attorney Smith added the ZPA made a condition within their text amendment recommendations that there be a limit of accessory structures on a lot.

Village Attorney Smith said he will update the ordinance to reflect the most current drawings dated November 13, 2017.
