d. Other Matters

Trustee Maier stated the Committee also discussed the Lake County Sheriff’s contract review costs, along with the three ComEd contractual agreements increase of $2,000. The ComEd light fixtures installation increase will be recovered in three years due to the monthly expenditure decrease.

Trustee Sheldon said she will be researching for a business to provide detail grooming of the big oak trees. Trustee Bohm said the Oasis Park Stewardship is going out to bids on January 3rd. Resident, Dr. Fantus (14253 W Riteway Road) asked Sergeant Balmes what is the average 911 response time for an incident. Sergeant Balmes said she did not have the data with her but will follow-up on the question. Sergeant Balmes added 911 calls are prioritized and categorized; therefore, the response time may vary due to its ranking.

b. Other Matters

Village Administrator Irvin said last summer the Board approved Brunswick Corporation request for a license agreement to allow the usage of the building monument stone on the westside of Riverwoods Boulevard corporate sign. Village Administrator Irvin added Vyaire has recently requested the use of the remaining half of the sign. Mayor Urlacher asked the Committee for a consensus if they wished to approve this request and have the Village Attorney draw up an ordinance to deliberate at the January Board meeting. The final vote from the Committee was yes.

Village Administrator Irvin said a summary was received from the special detail Sherriff’s contract. The Lake County Sheriff Department is looking to standardize
their service agreements with the municipalities to be effective January 1st. However, the Lake County Sheriff agreed to extend the Village’s renewal period through January 31st until after the Board discussed the new contractual details. Village Administrator Irvin said the Village insurance will not name the Sherriff’s Department as an additional liability on the policy.
